ADMINISTRATIVE COMMUNICATION - DIRECTOR JEFF GRIFFIN

2025 TRAFFIC STOP DEMOGRAPHICS

Attention: Sheriff Stephen Levorchick
Chief Deputy Brad York
Captain Aaron Leist

Date: January 5th, 2026

In compliance with Ohio Collaborative, we are required to collect data in relation to the race and gender of self-initiated traffic stops. The following is a breakdown of the data collected from January 1 - December 31 of the years 2024 and 2025. A comparative analysis is attached with the data. To be noted with the data, there was a decrease in the amount of available grant hours. Additionally, there were no bias-based complaints with any traffic stop.

Number of traffic stops: 2024: 3,312
2025: 3,492 (+180 stops)
